“Every baker should have The Baker’s Field Guide series in the kitchen...”
–David Lebovitz

A tasty dessert can make almost anyone happy, but renowned baking expert Dede Wilson knows how to take baked goods to new heights and tantalize both eyes and palates—and even better, she knows how to make the home baker recreate her magic without fussing around. In these four handy guides, Wilson shares with readers the tricks to making artful, professional-quality treats in any home kitchen and for any celebration—or for any day!

Each book is set up in a unique, practical, and engaging “field guide” format that gives home bakers the lowdown on every little, delicious detail of each creation, making the baking process fun—like it should be!—for adults and kids alike. Whimsical creations come to life through each recipe’s breakdown, complemented by vibrant four-color photography that makes mouths water even before the first aromatic whiff of fresh cookies seeps out through the oven door.

And nobody makes a better “field guide” than Dede Wilson, a contributing editor for *Bon Appétit*. She has written over a dozen baking books and continues to receive national recognition for her creations and baking innovations. Her baking prowess and her wit shine in these well-loved **Baker’s Field Guides**, now available for the first time in paperback (and at lower prices), making them more accessible and user-friendly than ever before! All four guides—*Cupcakes*, *Holiday Candy & Confections*, *Chocolate Chip Cookies*, and *Christmas Cookies*—promise festive, fun treats for the whole family.

Dede Wilson has written over a dozen books, including *Christmas Cooking for Dummies*, *Appetizers for Dummies*, and *The Wedding Cake Book*.
